

# Declaration of Conformity

We, the undersigned Manufacturer,

|                   |                                                           |
|-------------------|-----------------------------------------------------------|
| <b>Company:</b>   | Ocean Signal Ltd.                                         |
| <b>Address:</b>   | Unit 4 Ocivan Way, Margate, Kent, CT9 4NN, United Kingdom |
| <b>Telephone:</b> | +44(0) 1843 282930                                        |
| <b>Email:</b>     | help@oceansignal.com                                      |
| <b>Website:</b>   | www.oceansignal.com                                       |

declare under our sole responsibility that the following product(s),

|                      |                                                         |
|----------------------|---------------------------------------------------------|
| <b>Product Type:</b> | FR6 LiFeS <sub>2</sub> Lithium Iron Disulfide Batteries |
| <b>Brand:</b>        | Ocean Signal                                            |

Models:

| Model Type No.  | Description                                     | Applicable Products |
|-----------------|-------------------------------------------------|---------------------|
| LB4V 901S-00560 | safeSEA V100 Primary Lithium Battery Module, 3V | safeSEA V100        |
| 1061 901S-01098 | SR203 Primary Lithium Battery Module, 3V        | ACR SR203           |

is in conformity with the relevant Union harmonization legislation where applicable:

| Directive Name and Number                                                                                                                                                                   |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Regulation (EU) 2023/1542 concerning batteries and waste batteries<br>EU Battery Directive 2006/66/EC Amended 2013/56/EU<br>EC REACH Regulation EC 1907/2006<br>EU POP Regulation 2019/1021 |

References to the relevant harmonised standards or the common specifications used or references to the other technical specifications in relation to which conformity is declared:

| Technical Standards & Specs |             |             |        |
|-----------------------------|-------------|-------------|--------|
| IEC 60086-1                 | IEC 60086-2 | IEC 60086-4 | UL1642 |

In addition to the above, the battery modules conform to the requirements of the following where applicable:

| Other Applicable Regulatory Information                                                                                                                                                     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UN Recommendations on the transportation of Dangerous Goods, Manual of Tests and Criteria (UN38.3)<br>Transport regulations including IATA DGR, ADR and IMDG<br>Directive 2011/65/EU (RoHS) |

Product affixed with the following mark and identification:

EU Authorised Representative (if applicable):
